We hope you will be able to join us for this pivotal and exciting moment in Food Shed Co-op's development. Mark your calendars now and plan to be there! Click [HERE](#) for a map to the location.

There is still time for you to become a FOUNGING Owner!

This is a terrific time to make the decision to become an owner of the Food Shed Co-op. We have such wonderful momentum growing as we break ground and begin building the first co-op grocery store in McHenry County. We are starting construction but not yet open. That means new owners are still able to be considered FOUNDERS while enjoying the confidence that this is REALLY happening! Consider joining more than 1720 other community members who invested in co-op Ownership Shares. Help create more access to local food and products.

All are welcome to attend the Co-op's Groundbreaking Ceremony. However if you join now, you will ALSO be invited to our Pre-Groundbreaking Celebration at Kingston Lanes's Outdoor Entertainment space for fellowship, food, games and more. You will

also get the chance to put your mark on our store by purchasing a FOUNDER's Brick for installation in our Appreciation Garden. Your personalized inscription will be visible for visitors to see for years to come.

This is an exciting time. Choose to be a part of it!
